Sir,

sub: Textiles - mill cloth - Bellary district- Transfer of the Representative Buyers from Guntur district to Bellary - appointing two new persons as Representative Buyers - request of - Sri Sirasappa Ijari, Harpanahalli - report.

ref: Government Memorandum No.16193-MI/50-1 dated 27.2.50.

The person from Bellary, appointed as Representative Buyer cum consignee for Ahmedabad centre and Guntur district referred to in the letter forwarded along with the Government memo. cited above is Sri Y. Mahabaleswarappa, Bellary. There are already two Representative Buyer-cum-consignees for Ahmedabad centre at Bellary and the district quota is divided between these two. If Sri Y. Mahabaleswarappa is transferred from Guntur to Bellary then the district quota will have to

p.t.o.

be divided among three persons. The allotment will be very small and it will be uneconomical for them. It is not therefore desirable to transfer him to Bellary from Guntur. It is also not desirable to increase the number of the existing Representative Buyers by appointing the two persons in whom Sri Sirasappa Ijari is interested at a time when the question of reduction in the number of Representative Buyers has to be taken up in need of the reduction in the provincial allotments. The friends of Sri Sirasappa Ijari may purchase their requirements out of the 1/3 productions of the mills which are left for free sale by Mills to dealers of their choice.

Dear Sivaraman

Sub: Textiles - Mill Cloth - Bellary District - Transfer of the representative buyers from Guntur District to Bellary - Request of.

Ref: Your letter No. nil dated 24-2-1950.

I presume you are referring to the appointment of Sri Y. Mahabaleswarappa, who was ~~appointed~~ selected as Representative buyer-cum-wholesale consignee for Guntur District to procure cloth from Ahmedabad Centre There are already two Representative buyers-cum-wholesale consignees for Bellary district for Ahmedabad Centre between whom the district quota has been divided. If Sri Mahabaleswarappa is transferred from Guntur to Bellary ~~then~~ the District quota will have to be divided among the three persons. ~~In this case~~ The allotment will be too small ~~for each of them to be economincal for them to~~ procure cloth. In the circumstances I consider it undesirable to transfer Sri Mahabaleswarappa from Guntur to Bellary.

2. I do not think that it is expedient to increase the number of the existing representative buyers by appointing the two persons in whom you are interested at a time when the Government policy is to reduce the number of Representative buyers in order regulate the procurement from the Bombay Surplus Area I would like you to advise your friends to purchase their requirements out of the 1/3rd productions of th mills, which are left for free sale by mills to dealer of their own choice.
